As an indication of the solume of business done, the Railway Traine Receip a for last year theight charges only totalled \$12,-000,000,00.

The raps because in the cross postal resource of the Reginal office siene in the most sinking in least on the cross growth and less specificable to \$163,021.00.

An extract from the report of the Provincial Secretary for the year ending March 31s, 1912, a here given. During the year 28s timpon es registered in Saska chewan a der the province of the Europe Confidence, with capital or \$19,313,275,00.

keep native tentre if the Provincial poverame as long a stance telephone system.

EDUCATIONAL.

Kight organized the first collegate Institute in the province, estaining a his ding of a total risk is over \$130,000. If elastendance at the Right Collegate is now in ri300 as compared with IPS in 1908, 95 in 1907 and 67 in 1906.

The Methodist Church of Canada is erectine a large University in Regina, to cost over \$250,000.00.

Regina has five public serious. Three hidu bita schools are being erected this year.

FRANCHISES.

Reginal's one of the best based of es in the West for its size if not in the Dominion.

This year's programme are ades adapt all sieer paying and granolithic sidewalks.

The streets are looked after by a we equipped san tary department and are kept scrupulously clean.

Reginals Multicipal Paulings have a been constructed from the proceeds of the sale of a Townsite lands at a total cost of about \$200,000. The Central Fire Hall is one of the most complete in the Domar on cost against the new tire alarm a stem about \$30,000. The new Fire I ali No 2 is erected on the north size of the track in the centre of the wholesale is strict. The incidenator plant, costing \$40,000,000, is one of the most modern scientific as a cost of posal of garbage.

Electric Street Railway.

A manageally-owned Flecting Street Ranway has been in operation since last August,

Street Railway.

In 1910 it was accreed to undertake the installation of a street railway system as a municipal enterprise. The Council had submitted to the raterayers the cliest on of granting a franchise to one of a number of companies who applied for it but not withstanding that unishallation, is would have to be overcome they recided that it would be unless able to grant a franchise.

The work of construction was commenced in the spring of 1.11 and on J. v. 29th the first service was instituted, and a constant service has been maintained since that date.

The system as proved to be a much appreciated at by in the care and for 1912 large extensions are contemplated

PARKS.

In different parts of the city grounds have been large out for creeket footbal basebal larrosse and terms, world the City has about 200 acres of the north side for park and recreation purposes. A splene discature of the City is the children's playgrounds, located in different parts of the City.

Wascana Lake.

A body of water situated at the southern part of the City, between the residential portion and the Parliament Buildings, in length approximately sever miles, and from three hundred yards to one half mile in width. Recent improvements have anded greatly to the appearance of Wascara Lake and today it stands as one of Regnal's valuable assets as a pleasure resort for loating and swimming.

The Parl ament But dongs overlock to e lake from the south side.

Regina possesses a great feature in its Exhibition Grounds, which are a mirably situated one mile west of the City on the north side of the City of tracks. Spor trace accommodation has been provide and the City terms a fifteen multic passenger service when occasion arises.

I nese grounds comprise some seventy-six and one half acres, having entrances at the east side with driveways, and passenger train entrance and slock entrance on the south side

Imprevenients to the last item arounds to a read of state of the control of the area of the control of the area of the control of the area of the control of

The YM A Rubang state, in the corner of Cornwall Street and Twelfth Avenue as an lister in that is proving at Areat benefit to the City.

Last year a handsome new on or the YA. CA was ere ted, at a cost of \$75,000 and is a cree table addition to the city's public buildings, as we as a benefit to the voling women of Rigona.

Ten Thousand Openings for Enterprising Men

REGINA

The Capital of the Roll. Province or Saska chewan offers more and be terropportunities for high grade ambitions ment than any other cryon the American continent.

Regina

Is the Great Raway Centre of Western Canada. Al. the transcontinental lines converge here and branches radiate in every december. I have also convers that Regina is the very best location in Wistern Calada for Wholesale, Manufacturing and Distributing Houses.

Regina

Is the Largest Distributing Point IN THE WORLD for Agricultural Implements. If e-value of such goods shipped from here in 1911 was \$22,000,000.

Hundreds of New Towns

Are being established in the Great Wheat Area of which Regina is the Capital, and the vast new population that is pouring in month after month and year after year must naturally make this city its centre.

The Regina Board of Trade

Maintains a Special Statistical Department which supplies facts and figures on a variety of subjects of importance to Manufacturers, Merchants, Financiers, Investors and Business Men.

Enquiries

On any subject bearing upon Commerce and Industry will be gladly answered by: . .

L T McDONALD, Board of Trade - REGINA

Regina Wants More Industries

If you can make someting and want to locate in the most prosperous cay in Canala you should get all the details of advantage offered by the City of Regina

Address L T McDONALD Board of Trade - REGINA Royal Coal Regina Coal & Wood Co. REE FROM ALL DUST

Buy Your Advertising as You buy Everything Else —on the Basis of Value

The Leader, with the largest circulation - by many thousands - in Saskatohewan, offers you the best Value. It goes into more homes and exerts a greater influence upon its readers. Therefore advertisers find it pays to use the Leader and to use it continuously.

The Leader is the great "Want Ad. Medium" of the Middle West the result-getter.
